MID ATLANTIC ARTS

“WALKING TOGETHER” WORK SAMPLE PRESENTATION

MARCH 19, 2025

Celebrating a Rich History

- Our facility at 935-941 Teche St. was the site of the famous Whit(n)ey's Ballroom in the 1930-40's.
- Algiers was then one of the leading centers of jazz music in the United States.
- Lovingly restored in 2022-2024, AMAS preserves and celebrates the rich history and culture of the Old Algiers neighborhood.
- **Today, AMAS is the center of music and culture on the West Bank.**

An Engaged Community

- AMAS held 56 community events in the last half of 2024; including music concerts, art exhibits, dance and music classes and school assemblies.
- The AMAS Community Center is rapidly becoming the center of the Old Algiers community.
- The AMAS Foundation was recently rewarded for its work in the community by the 2024 Greater New Orleans Foundation Grant.

A Unique Opportunity to Help a Community Poised to Thrive

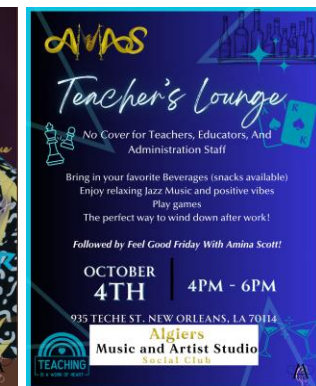

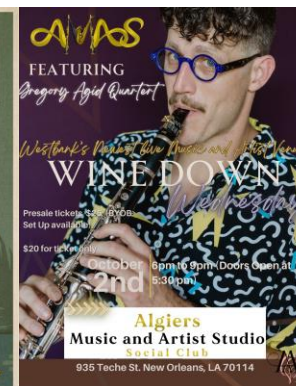

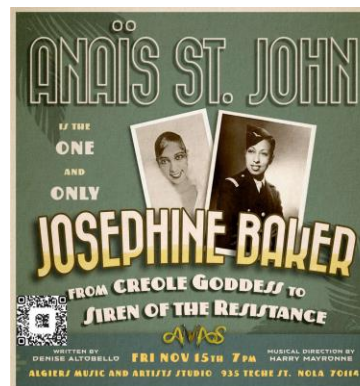

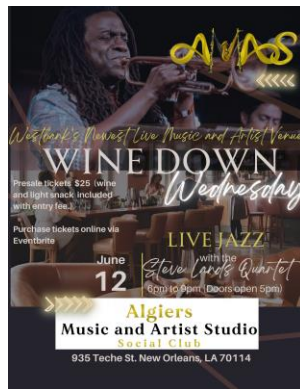

- The West Bank is a community with significant cultural richness, but lacks accessible spaces for artistic and educational growth;
- AMAS addresses this need by offering free and affordable programming in music, visual arts, literacy, wellness and personal development.
- We are helping to uplift an underserved community, preserve its cultural legacy, and empower individuals to unlock their full potential.

Help Support Our Work

Your donation will directly contribute to the West Bank community by:

- Providing music and art education to underserved and minority people of all ages;
- Fostering personal development through music, art, wellness and motivational workshops;
- Supporting the mental and emotional well-being of kids and young adults in need of support;
- Instilling a sense of pride and belonging through cultural events and performances.

Why AMAS? Why Now?

The West Bank communities are just beginning their economic resurgence and AMAS is the catalyst, driving that growth.

We foster a vibrant and inclusive hub for music, arts and education. Artists, musicians, students and patrons alike love AMAS. We are helping to bridge the gap between the rich cultural heritage of New Orleans and its future.

We are centrally positioned to help empower our community through music, art and education. Timing is everything, and this is happening *right now*.

At its core, AMAS is here to help the people of the West Bank to thrive and prosper. We invite you to join us.

Peace,
Kala
